About Us

OUR MISSION

To continue to position ourselves as the sought after supplier of sheet metal accessory products to the HVAC construction industry by providing superior customer service and quality products through innovation.

CLWARD is a leading manufacturer of US Made sheet metal ductwork accessory products.

As a company with three generations of experience, CLWARD can provide you support through our superior quality products, technical information and customer loyalty. As one of the originators of the Four Bolt Connector System over 40 years ago, we have been committed to the industry and our customers ever since.

CLWARD & FAMILY INC.
